ABOUT THE CONFERENCE

Artificial Lift Summit 2022 creates an Opportunities to boost Profitability and Strategies to Maximize Efficiencies in Oil and Gas Production.

The Artificial Lift Summit brings E&P Innovators, Service Providers and Independent Operators together to exchange ideas to advance technical knowledge in artificial lift applications for unconventional shale developments.

This summit will provide a platform to all the leaders from artificial lift systems manufacturers and contractors, to well servicing companies and major E&P companies, to network and build long lasting relationships and to discuss the latest advances in artificial lift systems for use in oil and gas wells across the industry.

The conference is holding a promising meeting place for the industry, through its interactive sessions, highlighting the latest developments in the oil and gas industries.

With an intense 2-day agenda, the conference seeks to expand in-depth discussions, strategies and applied knowledge along with technological challenges of artificial lift applications for unconventional shale developments. You will gain insights from the best in the industry and make lifelong friends.

Take this opportunity to join E&P experts and explore the next generation of artificial lift technologies and techniques for use in the optimization of shale production in the current market.

Conference Agenda Keytopics

- ★ Artificial lift system using **AI, ML, IoT and Automation** and its impact and performance
- ★ **An economic roadmap for E&P's** to assess every artificial lift operation and identify leaps for achieving specific business objective
- ★ Artificial Lift Methods to **increase oil production** with reducing operational cost from depleting oil wells
- ★ Leveraging digitalization, reduce unplanned downtime and **optimize maintenance processes** through real time application
- ★ Opportunities and challenges in **increasing artificial lift pump efficiencies**
- ★ **Best practices and case studies of artificial lift** methods and technology alignment

Gerardo Muñoz | Product Marketing Manager

Thank you for Sharing. I should have mentioned this in my feedback; some of the best i have seen for any conference, Live or Virtual. Awesome Event!

Lennart Heip | Global Modal and Technology

We are excited to join this great event. Sign up to hear a speech from Michal Paulski on Cybersecurity during the Oil and Gas Automation & Digitalization Conference.

Michal Paulski | Senior Manager

Many thanks to you the incredible team for organizing the event. Watching for 2 days was very insightful and your team efforts to organize everyone from around the created the success.

Johnathan Finlayson | Project Logistics Director

Thank very much for the opportunity. I was sincerely impressed by the quality of your event. It was as well run and organized a conference as I've ever attended. All of the sessions i was able to attend were excellent - really informative.

Tan Miller | Director, Global Supply Chain Management Program

Oh man, some of my favorite folks in freight are the container shipping right now.

Mike Bush | Terminal Relationship Manager

It was a valuable session and great learning from Global leader, It was amazing conference, Thanks a lot.
