OUR REGISTERED DELEGATE'S JOB TITLES/POSITIONS

Managing Director- Global GTM Lead-Data, Analytics, AI, Cloud, Technology and Growth
Vice President
Production and Completions Operations
Application Engineer
ASM, OSNDT
Sr. Completions Engineer
President & Founder
Exploitation Engineer, Thermal
Business Development Manager-ALS
Market Business Development Manager
APPLICATIONS ADVISOR
Sucker Rod Well Servicing Department Head
Senior petroleum engineer
Senior Software Engineer
Senior Advisor, Reservoir/ Production Engineering, GOM Asset Optimization,
Ing. Senior de Producción
Cost driven solutions provider
TitleProduction Engineer
TitleHSE-IMS Coordinator
Junior engineer for conceptual engineering
Area Engineer
Consultor Principal
Completions Manager
Sr. Staff Reservoir Engineer, Emerging Technology
Project Sales Engineer
Business and Technical Development Director
Upgrader Downstream Process Advisor
AVP Reservoir

Partner, Global Director, Halliburton Consulting and Digital Solutions
Director Global Technology Sales
ESP artificial lift engineer
Petroleum Engineering Technical Professional
Production & Reservoir Engineer
Well Integrity Engineer
Managing Director
VP Middle East
Sr. Production Engineer
OPTIMIZATION ENGINEER III
Marketing Technician and Designer
Exploitation Manager Jackfish 1 & 2
Head of North American Crude Production
Partner
